Re: RE: Zellner v. State of New York, et al.  
Docket No.: CV-02-0095(SLT)

Dear Judge Townes:

As the Court is aware, this office represents the Plaintiff in the above referenced action. This matter was heard for trial before Your Honor and following the verdict in the case, the Court set down a briefing scheduling for post-trial briefs. We have received the papers from the Defendants and are in the process of responding to their Rule 50(b) motion. In addition, we are preparing a Rule 59 Motion and plan to provide a Memorandum of Law in support of that motion. We write to request that rather than file separate briefs of twenty-five (25) pages each, we be given permission to file a single oversized brief of thirty-five (35) pages. We hope by filing a single brief in response to Defendant's motion and in support of our motion, that we can limit the total amount of paper produced in the briefing process and avert having to duplicate factual assertions, citations and arguments. In addition, our application is also based on the fact that Defendants, in their motion have submitted a brief of thirty-four (34) pages.

We thank the Court for its consideration.

Respectfully Submitted,

FREDERICK K. BREWINGTON
